The Catholic Parishes would like to thank the parishioners who have continued to make their weekly donations. Your continued support and generosity during this very difficult time is truly appreciated!

If any gifting imposes a level of hardship of any kind whatsoever, please do not donate.

If you are able to donate during this time, please consider one of the suggested gifting methods for your current weekly donation:

- 1) dropping your envelope into the parish mail slot
- 2) forwarding to the parish, by local mail, a series of post-dated cheques and Sunday envelopes.
- 3) Signing up for a **PADP** - pre-authorized donation program (contact office for the form)
- 4) Online at our website at <https://onapingfallscartierparish.ca/donations>

Catholic Parishes of Onaping Falls & Cartier:

In an effort to cut costs in the Parish Office, I would like to email the weekly bulletin to those who actively use their email.

If you are interested in receiving the bulletin by email, please send me a note at catholicp4@eastlink.ca

This would help cut down the amount of paper and ink being used. Thank you! Elise Charron / Parish Secretary

March for life

For the Pro-life movement, it's also a call to be witnesses to the dignity of each human person.

That's why on Thursday, May 9th, thousands of Canadians from all walks of life, will come together on Parliament Hill to remind our MPs to never forget...

The child in the womb...

The mother with an unexpected pregnancy...

The person living with a disability or mental illness...

Or the senior who needs care – not killing.

Mary, Mother of the Unborn, Protect Them

Check the poster on the bulletin board at the back of the Church for more details.

We are here to love ourselves and to love one another

We are the only ones who can save the world. As we band together for the common cause, we find the answers. We must always remember that there is a part of us that is far more than our bodies, far more than our personalities, far more than our diseases, and far more than our past. There is a part of us that is more than our relationships. The very core of us is pure Spirit, eternal. It always has been and always will be. We are here to love ourselves and to love one another. By doing this, we will find the answers so that we can heal ourselves and the planet.

We are going through extraordinary times. All sorts of things are changing. We may not even know the depth of the problems, yet we are swimming as best we can. This, too, shall pass, and we will find solutions. We connect on a spiritual level, and on the level of Spirit, we are all one. We are free. And so it is.
